Subj: Request for Classification Guidance

Ref : (a) COMDT (G-OIS) ltr ser 5500 of 5 September 1974

1. Reference (a) requested that guidance be provided regarding classification of an agency originated document entitled "Where's What", classified Confidential. To date, no reply has been received as to what action may be taken.
2. On 20 April 1976, six copies of this document were purchased from the Old Corner Bookstore, 50 Bromfield Street, Boston, MA at \$3.95 per issue. The flyleaf indicates that the document has been declassified and may be obtained via commercial channels. (encl 1).
3. Your assistance in resolving this apparent contradiction would be appreciated. Should you require further information regarding this matter, please contact Mr. T. A. Campbell (426-1990) of my staff.
